Professional Summary

Fourth-year Computer Engineering student with hands-on experience in networking, cybersecurity, web development, and embedded systems. Experienced with Cisco technologies, C/C++, Python, ESP32, Arduino, and Raspberry Pi through academic and personal projects. Erasmus+ experience in Germany with a strong interest in pursuing a career in cybersecurity and network engineering.

Work Experience

01/09/2026 – 01/10/2026
Turkey / Balıkesir

Yarış Kabin San. ve Tic. A.Ş.
IT, Software & Web Development Intern
• Configured and tested network environments using Cisco networking technologies.
• Worked with switches, access points, VLANs and network troubleshooting.
• Supported IT infrastructure and hardware configuration tasks.
• Contributed to web development and website maintenance.
• Worked with Raspberry Pi and embedded/IoT technologies.

02/06/2025 – 25/07/2025
Türkiye, Istanbul

SAPENTA
Software Developer Intern
• Developed and maintained basic applications using SAP ABAP.
• Worked with ABAP programming, debugging, and data processing within SAP environments.
• Gained hands-on experience with SAP enterprise systems, business processes, and software development workflows.

Education & Training

01/09/2022 – Current
Istanbul, Türkiye

Kadir Has University
Bachelor of Science in Computer Engineering
• Relevant Coursework: Data Structures, Object-Oriented Programming, Computer Networks, Operating Systems, Database Systems, Web Technologies
• Developed practical skills in C, C++, Java, Python, SQL and software development through academic projects.
• Focused on networking, cybersecurity, software development and embedded systems.

01/03/2026 – 01/09/2026
Ravensburg, Germany

Hochschule University of Applied Sciences Ravensburg-Weingarten
Erasmus+ Exchange Programme – Informatik (Computer Science)
• Completed Computer Science and engineering coursework in an international academic environment.
• Coursework included Python Programming, Internet Programming, Numerical Methods and Mathematics.
• Completed German language courses and developed basic German communication skills.
• Strengthened intercultural communication, teamwork and adaptability through studying and living in Germany.

Skills

Programming:
C, C++, Python, Java, SQL

Networking:
Cisco, TCP/IP, VLANs, Routing, Switching, SSH

Web:
HTML, CSS, JavaScript

Embedded & IoT:
ESP32, Arduino, Raspberry Pi

Language Skills

Turkish — Native/Bilingual
Mother tongue(s)

English — Fluent
LISTENING: B2 READING: B2 WRITING: B2 SPOKEN PRODUCTION: B2 SPOKEN INTERACTION: B2

German — Conversational
LISTENING: A2 READING: A2 WRITING: A2 SPOKEN PRODUCTION: A2 SPOKEN INTERACTION: A2
